Hello From

Teratak Sentosa

There's no better way to experience wedding in Kuala Lumpur.

Teratak Sentosa KL situated at Jalan Damai KL right in front of Roti By D' Tandoor & nearby Intermark Mall KL. It is also 7 min away from KLCC. The house offers a classic modern feel.

The house can accommodate up to 300 pax per sitting. If your planning to invite more guest, 500-800 pax come & go would not be any problem. The house also has 3 bedrooms that can accommodate up to 6 pax for homestay.

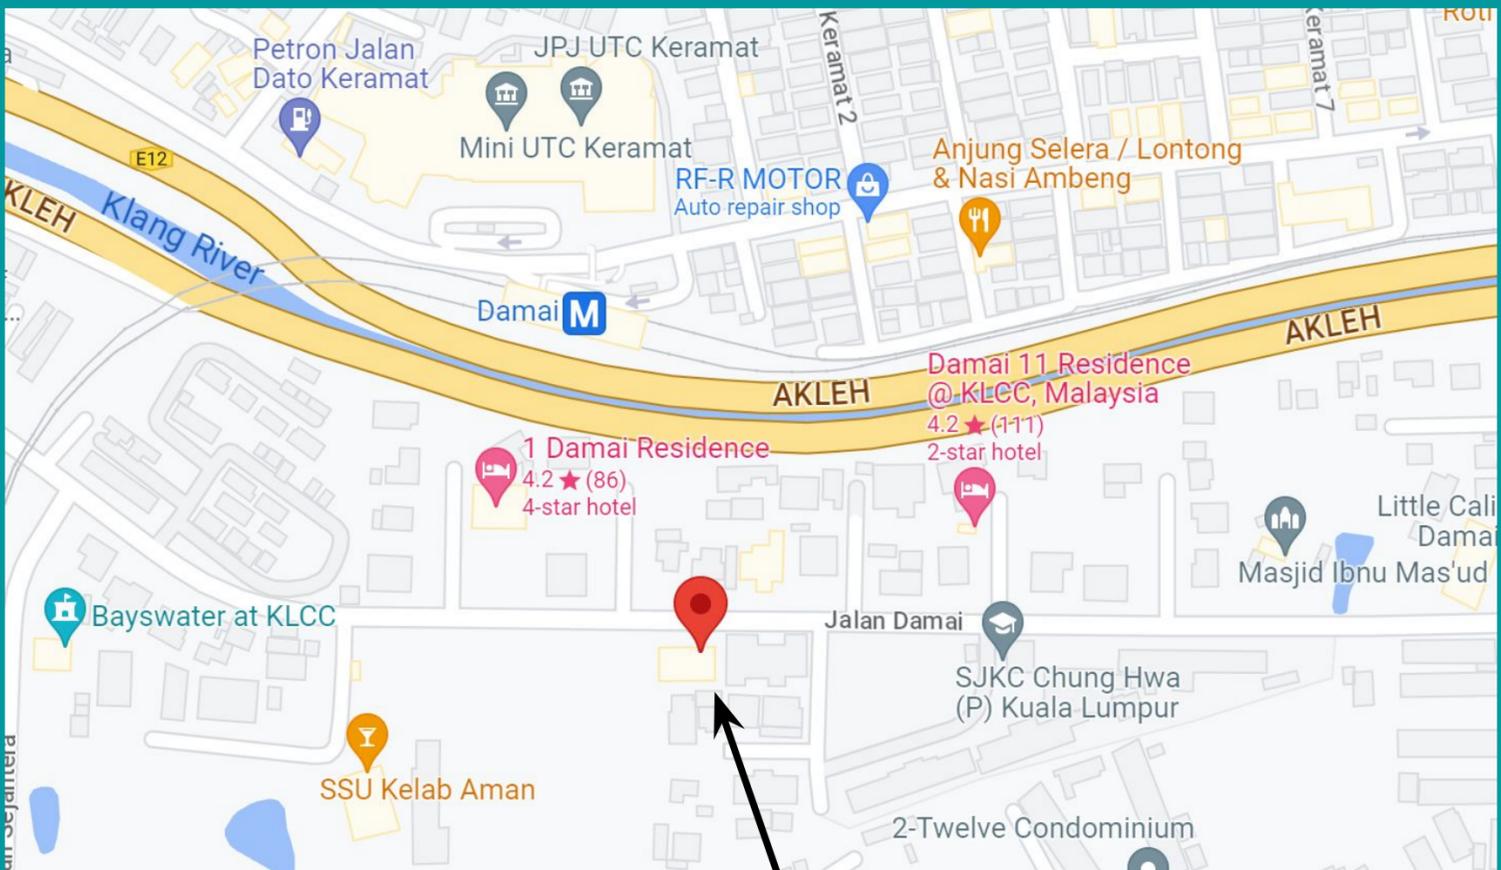

If you're looking for an event venue that is a house concept or together with a homestay, this will be the perfect venue for you. A house concept will also provide more family bonding as you will group together in the house a day before the event.

It's the best of both worlds. You may even love it so much that you'll never want to leave.
