Hello From

Azalea D'Keramat

There's no better way to experience wedding in Kuala Lumpur.

Azalea D' Keramat situated nearby UTC Keramat & LRT Dato Keramat. It is also 11 min away from KLCC. The house offers a homey feel.

The house can accommodate up to 250 pax per sitting. If your planning to invite more guest, 500-800 pax come & go would not be any problem. The house also has 4 bedrooms that can accommodate up to 8 pax for homestay.

If you're looking for an event venue that is a house concept or together with a homestay, this will be the perfect venue for you. A house concept will also provide more family bonding as you will group together in the house a day before the event.

It's the best of both worlds. You may even love it so much that you'll never want to leave.
